UPAA GERMANY

To the UPAA Germany:

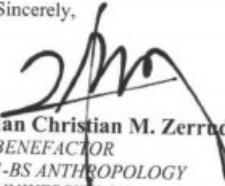

I am honored to be a recipient of the UPAA GERMANY SCHOLARSHIP at University of the Philippines-Mindanao, and I would like to express my heartfelt gratitude for your continued support to students like me who need it most.

Growing up in a less privileged community has just not only brought financial and academic challenges but also helped me come into a realization of the essence of having a college education in order to have a bright future. I have just begun my undergraduate career as a freshman, and I am fortunate enough to be able to attend.

Marvelously, your scholarship has opened a door and the possibility of a brighter future. It will play a significant role in shaping me into a successful person in future. True enough, donors like you make life even brighter for us and just as the same of my essay the time I applied for this, I can only hope that one day, I too will be in a position to bring a smile to another needy student.

I cannot express my gratitude enough and I am happy that I have lessened the burden of my parents. Truly, I want you to know that your generous support will see me achieve my dreams and will not let me walk through eggshells. I promise to study hard and be great in exchange for the opportunity you have given to me.

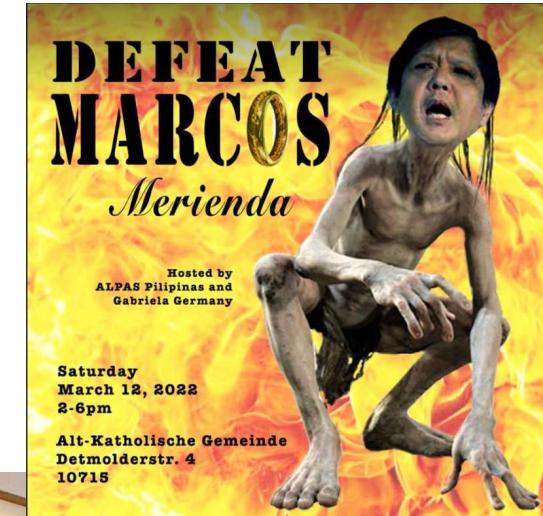

Sincerely,

  
Ian Christian M. Zerrudo  
BENEFACITOR
